

Western Chapter Strategic Themes

RBM New Orleans · Oct 5 · 2:15–3:00 PM · Facilitator Cheat Sheet

LEARNING

"Who cracked the code on creating an event members absolutely don't want to miss?"

Nebraska Gold	"Relevant and Adventurous and only in YPO Gold" — built their entire learning identity around that phrase
Bayou City	Event surveys + formal Learning Committee to continuously improve programming
West Texas	Experiential learning — memorable trips as the core strategy
Telluride	Adventure + VIP experiences + family programming as three pillars
Vail Valley	"Only in Vail" signature experiences — the chapter brand IS the event
Gold Houston	Exceptional speaker quality as a non-negotiable standard

MEMBERSHIP

"Who cracked the code on effective new member integration?"

Waterloo-Austin	Journey standardization — first strategic pillar is Membership Growth & Journey Standardization
Bayou City	Created a documented "Ideal Member Journey" framework
San Antonio	Documented recruitment processes and formal onboarding
Texas Gulf Coast	Recruiter ambassadors + improving the Y-to-Gold graduation process
Austin Gold	Proactively identifies at-risk members before they disengage
Lone Star Gold	Growth through attraction rather than promotion — high membership standards

LEADERSHIP / SUCCESSION

"Who figured out how to get great people to say YES to chapter leadership?"

Oklahoma City Gold	Board leadership pipeline is a central strategic goal — built explicitly into their plan
Nebraska Gold	3-year succession planning — not next year, three ahead
Austin Gold	Multi-year succession schedule baked into governance
Tulsa	Governance timeline + chapter commitments with accountability measures
Wild West	Tracks leadership expectations and board participation as a measured metric
Waterloo-Austin	Leadership Succession as one of only three named strategic pillars

FORUM / FAMILY

"Is your chapter doing something here we should all know about?"

San Antonio	"Collaborative placement" — flag for the room to explore what this means
--------------------	--

Austin Gold	Leverages Network Forum opportunities across the region
Gold Louisiana	Forum participation + moderator meetings + spouse events + Gold-only forums as one integrated strategy
Tulsa Gold	Member AND spouse engagement through forums and events — treats family as co-equal
Texas Gulf Coast	Called out as having one of the most comprehensive forum strategies in the region
Telluride	Forum funding as a strategic priority — unusual, worth surfacing

ENGAGEMENT — Quotes Worth Using

"If engagement appears in nearly every plan... why are we still trying to solve it?"

Wild West	"Participation is our currency"
Lone Star Gold	"Most intimate, most engaged, most selective... Houses United... Forging Deeper Connections"
Gold Maverick	"We forge deep relationships through meaningful engagement"
Rocky Mtn Gold	"Engagement, Belonging & Intimacy" is Priority One
Space City	Vision: "Grow wiser, Connect deeper"
Gold Dallas	"Community & Belonging" as one of five explicit strategic themes

Closing question: "If you could change ONE thing about the member experience that you believe would cause engagement to increase — what would it be?" Take 5-6 rapid answers, then break.
